Enrichment in Action

STEAM, hands-on funand Action!!

We're in the business of sparking dynamic futures through activities that excite, engage and enrich young learners. That is why our fun, innovative, and immersive hands-on STEAM ancillary program, complements as well as enriches topics typically found in an early childhood education curriculum. Familiar nursery rhymes, and other exciting activities introduce Preschool - 3rd grade children to core concepts in STEAM (Science, Technology, Engineering, Art and Math).

Children will learn and enhance:

- ✓ Key vocabulary
- ✓ Analytical skills
- ✓ Problem Solving skills
- ✓ Critical Thinking skills
- ✓ Collaborative skills
- ✓and much more!!
